

LOCAL MAXIMA

May – June 2020

What Is LOCAL MAXIMA?	<p>Local Maxima (LM) is a social organization of makers, programmers, and industry professionals that have a love for science, technology, engineering, and mathematics. Named after the largest value in a range of a function.</p>
Announcements	<p>Our VirBELA session on particle accelerator physics last month with Dr. Dan Alt was awesome! Thank you for joining.</p> <p>Due to COVID-19, the 2020 Hackathon will not be held this year – be ready to bring it in 2021!</p> <p>For the next two months we are going to try some collaborative virtual sessions on Zoom. These will be approximately two hours, held every two weeks.</p>
Upcoming Virtual Sessions	<p>May 19 – LM Does Project Euler June 2 – LM Does Unity Game Development June 16 – LM Does Jackbox Games June 30 – LM Does Puzzles and Riddles</p> <p>6-8 pm Zoom Meeting Link</p>
Scan To Sign Up! 	Scavenger Hunt <p>How good is the song? The text can be found within When you know what's sought:</p> <p>AV FF DG XX</p> <p>You will need these links: https://youtu.be/CX11yw6YL1w?t=213 http://localmaxima.org/c32769969ef586f7e7c49b20bc5753fb.7z https://www.britannica.com/topic/cipher</p> <p>Email us your solution!</p> <p>Contact Us! info@localmaxima.org</p> <p>Or visit us at: https://localmaxima.org/</p>
